VFF acknowledges the uncertainty of today's landscape. Yet, we remain hopeful, especially as veterans continue to receive increased benefits. Our commitment to educating veterans on the issues that matter most to them remains unwavering.

We invite you to support our mission to help veterans and their families live with dignity. There are two key ways you can contribute:

1. Make a Financial Donation – Contributions can be made through GIVELIFY, and a tax-deductible receipt will be provided for your records.
2. Corporate Giving – If you represent a business, consider donating goods or services for auction at our biennial fundraising event. Please contact us directly to arrange corporate or service donations.

THE WAY FORWARD...

No matter how you choose to support, VFF sincerely thanks you for partnering with us in serving those who wore the uniform—and the family members who stood beside them.
